Notification of Furey Filter and Pump, Inc. Appointment as Authorized Distributor for Weir Minerals North America

Dear Valued Customer,

Weir Minerals North America is pleased to announce the appointment of Furey Filter and Pump, Inc. as their authorized full line stocking distributor for the industrial market in the state of Wisconsin. With this appointment Furey Filter and Pump will be authorized to sell and service Warman®, Galigher®, ASH Pump®, Hazelton®, as well as Cavex® Hydrocyclones, Isogate® Slurry Valves, Linatex® Slurry Hose and wear resistant Rubber products. This appointment takes effect November 10, 2014.

As an authorized distributor for these product lines, Furey Filter and Pump will also be certified to repair Weir Minerals' equipment at their repair facility in Germantown, Wisconsin. They will also supply local product support, parts inventory, Application Engineering assistance, and service from this facility.

Furey Filter and Pump can now provide the most reliable Slurry Pumps, Hydro-cyclones, Slurry Valves, Slurry Hose, and process equipment in the industry. Together, Weir Minerals and Furey Filter and Pump, Inc. are committed to providing innovative solutions and service for all of your processing needs. We look forward to being of service to you in the future.

Regards,
